## NOTES FROM THE DIRECTOR

Summer is here with warm weather, Storywagon for children, a variety of programs, and increased traffic in the library. We have programs for babies and toddlers, children and teens, adults and senior citizens. Check our website and this newsletter for details on specific programs.

So far this summer we have had a fairy flower party, an Angry Birds party, planted pizza gardens, hosted an Honor Flight program and a teen lock-in. Don't miss our upcoming programs on Fibonacci and the Golden Mean and in August, a presentation by Craig Culver, business owner of the popular Wisconsin restaurant.

The Friends' group had a successful book and bake sale in June earning more than \$1,500 which will support library programs. Their monthly Movie Nights are a success and in July they will show the popular Lego Movie. Movies are all free and open to the public. Have you visited the Friends' ongoing book store? Located near the fireplace, this book store is open whenever the library is open and holds a nice variety of books that can be purchased at reasonable prices. Simply make your selections and pay at the circulation desk.

All the prizes displayed in the display case in the lobby will be awarded to adults participating in the Adult Summer Reading Program. You have until August 9<sup>th</sup> to read and earn your raffle tickets. In addition, there is a weekly prize raffle for those who participate in the Weekly Challenge.

As you probably have noticed, we moved our audiobook collection upstairs last month and moved the young adult collection downstairs behind the computer lab. In an effort to make the upper level more appealing to adult patrons, this will be a quiet area and we will soon be offering a coffee service in the audiobook room. You may purchase a cup for \$1 and serve yourself. Phone chargers, e-readers and laptops may also be checked out to use in the library. A Tech Corner has been implemented at the upper service desk and patrons can "book-a-librarian" to help answer their technology questions.

As always, please contact me with any questions or concerns you have about the library (262)723-2678, ext. 22.

-Lisa Selje

***Do you know how the city, the Library Board of Trustees and the Library Director work together to provide our patrons with the best possible access to materials and services?***

The library is led by a seven-member Board of Trustees who are appointed by the Mayor of Elkhorn. In addition, a member of the City Council is appointed to serve as liaison between the Library Board and the Council. The board elects new officers every July to serve for the next 12 months.

# LIBRARY TRUSTEES: WHO ARE THEY? AND WHAT DO THEY DO?

**Job Title:** Library Board Trustee **General Description:** Participate as a member of a team (the library board) to protect and advance the interests of the broader community by effectively governing the operations and promoting the development of the local public library.

**Amy Kruse, President...**Our family enjoys the diversity of the library. We have all been able to discover the magic of a book, being able to do something totally different than what daily life is. The library for us offers books, magazines, movies and programs to enhance our experiences. I joined the library board in hopes of making sure that others could have this opportunity. My family consists of my husband, Dave, and our three children. A special thank you to all the patrons who keep our materials and library environment in great physical condition as well as a family atmosphere.

**Gwen Griffin, Vice-President...**I live in Elkhorn (Sugar Creek area) with my husband and two children. I am the Development Specialist for Old World Foundation, the non-profit organization that works to support Old World WI in Eagle. I plan fundraisers and other events for our members. I agreed to serve on the library board when asked because I feel it is a valuable asset to the area it serves—Elkhorn and all the surrounding communities.

**Scott McClory, Council Representative...**I have been married to my wife, Michelle, for 25 years and we have two children and four grandchildren. I work as the Patrol Captain at the Sheriff's office. As the Council Representative, I am a non-voting member of the board. I enjoy being involved very much.

**Mary Cline...**My husband and I have lived in Elkhorn the past 10 years. I am the principal of Jerstad-Agerholm Elementary School in Racine. I am involved in the library to help maintain a place where my son and I can go to enjoy books, programs and playtime.

**Michelle Aquino Schopf, Treasurer...**One of the first things I did when I moved to Elkhorn was to visit the library and get a library card. The library has always been one of my favorite places in Elkhorn. It appeals to all ages and has something for everyone. My husband, Brian, is a counselor at the high school. We have three children— Allison, Olivia and Luke. I teach 2nd grade at Tibbets School.

**Donna Pruess...**I lived in Elkhorn my entire life. I have been married for 19 years. We do not have any children. I just think the library has so much to offer for the public that I just wanted to get involved. There was an opening. I put my name in and was appointed!

**Bill Rogers...**I am married, have 2 children and live in Elkhorn. I am the General Manager of Evergreen Golf Club and have held management positions there for 25 years. I am founder of "Scramble for a Cure" golf outing that raises funds for cancer research at UW Carbone Cancer Center. I am a past-president and current board member of the Elkhorn Chamber of Commerce. I am willing to serve in an attempt to improve the community I live in.

**Jason Tadlock...**I am the proud father of five children and am married to Elizabeth. I am starting his second year as Superintendent of the Elkhorn Area School District. I chose to serve on the library board because I believes that just as the libraries serve as the heart of our schools, a community library should serve as the heart of a community. Providing life long learning opportunities and access to resources that the community would not have without the library.

# YOUTH SERVICES

## SUMMER IS A BLAST!

We're having a great summer in the youth services department! If you've been in to visit us, you may have picked up some fun prizes for summer reading, attended a great program with Pattie Woods or Ms. Jennifer, and met some of our friendly staff! Our department has welcomed two summer staff this year; our summer aide Katrina Weber and youth services associate Emily Laidley. We are very

happy to have Kat back for the third year helping out with programs and keeping the chil-

dren's area looking great! We are also excited to be joined this summer by our new youth services associate, Emily

Laidley. Emily is working on her Masters in Library Science and comes to

us from Williams Bay. She's already a familiar face to many of our families at the youth services desk and from school visits and storytimes.

This year we added many fun, interactive spaces. Check out the science activities on the bulletin board, watch for birds at the new bird watching station, take a look at our cool Lego creations, check out some fun materials in our new Maker Space display or visit our I Spy aquarium!

Celebrate summer reading with our ending party, **Book Experience, on August 9<sup>th</sup> at 10:30.** August 9 is the last day to bring in Fizz Boom Read bookmarks and teen reading forms. However, you can return your Rubber Ducky Reader logs and Super Reader Club sheets any time in August.

If you like realistic fiction about girls, friendship, and growing up, try these great summer reads; *The Battle of Darcy Lane* by Tara Altebrando and *The Summer I Saved the World in 65 Days* by Michele Hurwitz.

Readers looking for mystery and adventure will want to check out *Eddie Red Undercover* by Marcia Wells or *Ice Dogs* by Terry Lynn Johnson.
